I urge you to please SUPPORT SB388, HB4515 and HB 5412. HB5412; I believe no government has the right to put a restriction like this on law abiding citizens, regardless of physical location. Retreating is not always the best option. It must be decided on the by individual under unique and varying circumstances.

OPPOSE SB16 and HB5416. Restrictions and laws like these proposed never have and never will reduce crime, period.

So why are we here? Mike Santangelo,
